Community Learning

This course aims to give you the knowledge needed to understand how to lead and motivate a team, through effective communication, motivation and individual and team development.

Section 1: Communicating a vision and strategy

In this section you will learn what an organisational vision and mission is, how to develop team objectives and how to communicate clearly and accurately.

Section 2: Motivating and developing the team

This section will cover different theories in relation to motivation and how to use motivational factors to support your team.
